

St. Raymond of Peñafort CYO Basketball

Boys & Girls

Grades 3–8

All Skill Levels are Welcome!

Join the **St. Raymond's Canons** basketball community. **CYO basketball is a great opportunity to participate in a healthy activity with the Parish family.**

Our parish CYO basketball program is welcoming additional players and coaches regardless of experience or ability. If you are already an experienced basketball player, we need your leadership. If you are a beginner, we need your participation. This is also the perfect opportunity for parents and other adult volunteers to participate in this wonderful Parish ministry.

With your support, we will continue to provide this great program to the St. Raymond's community. CYO basketball offers a unique opportunity to represent our parish, bring our faith into the arena, and build lifelong friendships.

For more information, please contact Ed Gloninger at edgloninger@gmail.com, (703-609-8218), or visit the CYO Basketball page at www.straymonds.org. (from the home page menu, select Ministries & Groups and then CYO Basketball)
