**Internationally acclaimed bio-ethics expert
Fr. Tadeusz Pacholczyk, Ph.D to speak on
*'End of Life Issues'***

Rev. Tadeusz Pacholczyk, Ph.D. is a priest of the diocese of Fall River, Massachusetts. As an undergraduate he earned degrees in philosophy, biochemistry, molecular cell biology, and chemistry. He later earned a Ph.D. in Neuroscience from Yale University. He worked for several years as a molecular biologist at Massachusetts General Hospital/Harvard Medical School. Fr. Tad studied for 5 years in Rome where he did advanced work in dogmatic theology and in bioethics, examining the question of delayed ensoulment of the human embryo. He is Director of Education for The National Catholic Bioethics Center in Philadelphia and directs the Center's National Catholic Certification Program in Health Care Ethics.

Father Tad writes a monthly column on timely life issues. From stem cell research to organ donation, abortion to euthanasia, he offers a clear and compelling analysis of modern bioethical questions, addressing issues we may confront at one time or another in our daily living. His column is entitled, "Making Sense Out of Bioethics" and is nationally syndicated in the U.S. to numerous diocesan newspapers, and also carried by newspapers in England, Poland and Australia.
