

St. Raymond's High School Youth are in DESPERATE need of ADULT VOLUNTEERS for WorkCamp 2016!

WorkCamp is an intentional Christian Community that provides an experience of direct service for young people within the boundaries of the Diocese of Arlington. WorkCamp aims to provide the teens of our diocese with an intense conversion experience through service, community, and prayer. Through WorkCamp, we also seek to serve our fellow Virginian's by making their homes warmer, safer, and drier.

If you are open to God working in you and through you, and if you are interested in serving your brothers and sisters in Christ, then WorkCamp will probably be an amazing experience for you.

"HANDY-MEN/WOMEN" A.K.A. "CONTRACTORS"

- **Description:** Handy men and/or women are known as "contractors" at WorkCamp. Their job focus is on leading the work on the sites. - **Time Requirement?** Particular days of need include the work site days, Monday (June 27th) through Thursday (June 30th), a minimum of two. Contractors are the only WorkCamp volunteers given the option to commute, though we will be serving in Shenandoah County so they also have a place to stay arranged for you at the high school and a hotel block discount option. You also have the option of joining the teens & Adult Crew Leaders for the entire week, Saturday evening (June 25th through Friday afternoon, July 1st).
- **What kind of job will you get?** New this year...jobs will be assigned on a first-come, first serve basis. The sooner you sign-up, the sooner you will know which type of job you will be assigned to. You may request a certain type of job (ie. Painting, repairing a deck, roofing) based on your skill set and comfort level.
- ***St. Raymond's is required to bring 1 "contractor"/ "handy-man" per day for every 5 teens.***
