Snack Pack Home Project Kit

Catholic Charities Diocese of Arlington (CCDA) began the **Snack Pack** home project Thanksgiving 2016, a project in which one can put together Food Kits to DROP-OFF at designated parish locations in our Arlington Diocese as noted in the document below. This opportunity offers one a chance to give snacks to those individuals who endure food insecurity right here in our diocese, 219,000 folks. The Snack Packs you and your family and/or friends make will be distributed to those in need throughout our Diocese.
