At the start of this school year, I would describe my knowledge of the Catholic faith as:
 Excellent—I have little problem defending my faith to friends, family and others
 Fair—I don't know all the answers to the challenges others make to my faith, but I'm comfortable talking about it; and I know where I can go to get answers to questions I'm not sure of.
 Needs Improvement—I tend to avoid discussions of faith either because I don't know the answer(s) or I worry that I'll be judged unkindly if I speak up.
